1. The practice has a business-wide risk assessment, which is reviewed and updated at least annually. It may be updated more frequently should information come to light that would suggest it might have changed.
2. Our business-wide risk assessment will always consider:
 - our clients
 - the places in which we operate
 - the services we provide, and how we deliver those services
 - the types of transaction the practice might undertake.
3. The business-wide risk assessment may take into account any guidance issued by ...
